

## **A Book of Sermons and Articles by Metropolitan Philaret (Voznesensky) of Blessed Memory is published in Serbian**

A Serbian-language book on the sermons and articles of Metropolitan Philaret (Voznesensky) of blessed memory was just published by the Rukumija Monastery of the Serbian Orthodox Church with the title “A Voice Crying Out in the Wilderness.” This year marks the 30th anniversary of the repose of the First Hierarch of the Russian Orthodox Church Outside of Russia.

It is noteworthy that this monastery is located not far from Vvedensky Milkovo Monastery, which was the source of ten archpastors of the Russian Church Abroad, including St John (Maximovich).
