

## **Bishop Panteleimon of Orekhovo-Zuev visits St Nicholas Cathedral in Seattle, WA**

A great multitude of worshipers were also in attendance. During the trapeza luncheon that followed, Bishop Panteleimon held a discussion with the parishioners and answered their questions.

This week, Vladyka Panteleimon will make a pilgrimage to Alaska, then he will head to San Francisco to participate in the 13th All-Diaspora Youth Conference of ROCOR. This even coincides with the 20th anniversary of the canonization of ROCOR's canonization of St John of Shanghai and San Francisco, the great archpastor of the Russian diaspora.
