

## **Ukrainian militants shell the church not far from Slavyansk**

Several shells fell down on the church yard. The chapel and canteen were fully destroyed, *Lifenews* reports.

According to the people's guards, Cherevkovka was bombed with 122 ml shells from howitzer D30.

Late in May, another church – the Church of the Derzhavnaya Icon of the Mother of God in Slavyansk was damaged. A mine exploded in 10 meters from the church. Five windows were blown out, a part of facade and the church fence were damaged.
